Judges

The Court orders that the claim of appeal shall be TREATED as an application for leave to appeal and submitted to a panel for a decision. The appellant's brief shall serve as the application for leave to appeal and the appellee's brief shall serve as the answer. This Court lacked jurisdiction over the claim of appeal because with the information now supplied, the judgment of sentence was based on a plea to a crime that was committed after December 27, 1994. See MCL 600.308(2)(d).
